

**ROC SALT  
CENTER**

Dear Neighbors,

We are all effected by the Coronavirus Pandemic. But neighbors are coming together to help each other in beautiful ways. Rest assured, The South Wedge Food Program is here to help as always. Our volunteers are prepared for the increase in need we know our community is experiencing.

The Food Program is open for business! We are giving boxes of food to anyone in need, regardless of income or zip-code. Our open hours are Mondays, Wednesdays, and Fridays from 9am to noon. If you are able to pick up a box for yourself, or a neighbor in need, feel free! If you are in a high risk group, or live with someone in a high-risk group, we are happy to deliver a box to your door. Please leave a message at 585-325-4950 with your name, number, address, and the number of people in your household. We will get back to you as soon as we can.

During this time of high-need, donations are more important than ever. Our most needed items currently include toilet paper, milk, pasta, rice, cereal, and high-protein soups, and canned meat. Healthy volunteers are always welcome.

In addition, monetary donations are very much appreciated at this time. You can donate securely online at any time via our website at: <https://bit.ly/2x9CzhP>

Thank you for taking care of each other. Thank you for making the most of a difficult situation. We will get through this together.

Blessings,

Rev. Katie Jo Suddaby, Director
