PGV POLICIES AND PROCEDURES MANUAL (without appendices)

PREFACE

The Presbytery of Genesee Valley of the Synod of the Northeast and the Presbyterian Church (U.S.A.) is comprised of the Presbyterian Church (U.S.A.) congregations in the New York State counties of Genesee, Livingston, Monroe, Orleans, and Wyoming and also includes the Victor Presbyterian Church in the county of Ontario. The Presbytery has adopted this policy with regards to a Manual of Administrative Operations:

“Presbytery shall have a Manual of Administrative Operations, which will include the *Manual of Organization* and *Personnel Policies*. Presbytery shall attach appendices to its manual of administrative operations as it shall, from time to time, deem appropriate. The manual of administrative operations shall be amended by a consultative process in conformity with *Book of Order*.”

This *Policies and Procedures Manual* provides a common understanding of the ways whereby we have agreed to order our life together. Completed in 2011 and revised in light of the new Form of Government adopted in 2013, it is a consolidation of policies, guidelines and procedures already contained in the following documents:

- *Manual of Organization*
- Presbytery Committee and Council policies, procedures and guidelines
- Presbytery operating policies and guidelines

It is further revised in 2017, in accordance with the Design of the Presbytery of Genesee Valley, described below in Sections I. and II.

The policies, listed below, which appear as appendices are incorporated into this Manual.

- A. Neighborhood List, as updated
- B. Committee on Ministry Handbook and Transition Manual
- C. Operations Manual for the Committee on Preparation for Ministry
- D. Pastoral Care Support and Procedures Manual
- E. Consolidated Financial, Investment and Funding Policies
- F. Job Descriptions for Standing Committees/Commissions of the Presbytery
- G. Position Descriptions for Presbytery Staff
- H. Presbytery Sexual Misconduct Policy
- I. Presbytery Child Safety Policy
- J.. Guidelines for Writing a Session Sexual Misconduct Policy
- K. Policy on Automatic Administrative Leave
- L. Presbytery Personnel Policies and Practices
- M. Guidelines for Host Churches for Presbytery Meetings

First and foremost, the Presbytery of Genesee Valley is governed by the *Book of Order* (Part II of *The Constitution of the Presbyterian Church (U.S.A.)*). In the event of any conflict or inconsistency between these Policies and the *Book of Order* or applicable New York State law, the provisions of the *Book of Order* or State law shall control. Specific instances of possible conflict or inconsistencies of previously-enacted policies, procedures or guidelines not expressly addressed in these Policies, should be brought to the attention of Presbytery Leader in writing. The Presbytery Leader and Big Picture Team shall report any such occurrences to Presbytery, together with a recommendation as to any action.

In addition to the Book of Order, for procedural purposes the Presbytery uses the most recent edition of *Robert's Rules of Order, Newly Revised* (Scott Foresman edition). Amendments to this document shall be done according to the procedures outlined herein.

PART I: MISSION AND VISION

OUR MISSION: KNOW CHRIST, LIVE CHRIST, SHARE CHRIST

Preamble

We lift up our understanding of the mission of God for the Presbytery of Genesee Valley. This mission begins with the faithfulness of those who have preceded us. It emerges in a context of turbulence and rapid change in church and society. Our understanding of God's mission for us grows in the hearts of our diverse people as we commit to serve Christ together.

Mission Statement

The Presbytery of Genesee Valley glorifies God by Knowing Christ, Living Christ, and Sharing Christ.

What does this Mission look like?

- **We Know Christ** when we worship God through Scripture, prayer, songs, and preaching; when we live as disciples of Jesus Christ within a faithful community of congregations; and when we experience the Holy Spirit leading us into the world with purpose and conviction. This mission calls for the Presbytery to train and equip the people of God for faithful service in the life of our churches and surrounding communities.
- **We Live Christ** when we model the truth and integrity of the Gospel as we build trust and work with one another and our neighbors; when our elders, pastors and church leaders feel strong spiritual encouragement and support for their vocation; and when we demonstrate our calling in ways that capture the attention of people who live throughout the Genesee Valley. This mission calls for the Presbytery to demonstrate the wonder and joy of Christian faith as we eat, work, play and reach out together.
- **We Share Christ** when we initiate emerging faith communities, develop new churches, and support existing churches; when our congregations join hands for shared mission endeavors; and when we engage in ministries of healing, comfort, renewal, justice, and peace. This mission calls on the Presbytery to be a gathering of faithful congregations in which we mourn our defeats, celebrate our successes, and seek God's confidence and strength as we embrace the future.

Our Vision: Healthy, Vital, and Sustainable Congregations and Leaders

In light of the changes in our culture and demography, and the challenging environment in which the Church lives in the 21st century, we assert that the primary focus of the Presbytery of Genesee Valley is not the preservation of itself as a governing body or an institution. The focus of our Presbytery is now the landscape of possibilities and challenges facing our congregations in the places they are serving. Our primary goal is the encouragement and empowerment of **healthy, vital, and sustainable congregations and leaders**: active in the mission of serving God and neighbors; engaged with partners within the presbytery and beyond it. These partners may include other churches, community organizations, and mission agencies.

Our vision is aspirational. Just as the Kingdom of God is dawning in our midst but not yet fulfilled, we are working to promote healthier, more vital, and sustainable congregations as we move into God's future. We seek to encourage, resource and empower leaders, pastoral leaders and congregational leaders, in their ministries. We seek to enable partnerships in which congregations can build on shared strength to be effective in their mission fields. We seek to practice that we are "better together," as we support the missions and ministries of our churches with grants, tools and training, and resources.

We use the word **Healthy**, not just to connote the absence of visible illness or trouble, but as a dynamic condition of strength, nourishment, effective functioning and well-being.

PGV POLICIES AND PROCEDURES MANUAL (without appendices)

We use the word *Vital* to connote active engagement in worship and mission; care for members, neighbors and strangers; and the work of justice and peace.

We use the word *Sustainable* to connote the ability to gather resources necessary to continue and grow in mission and ministry. This may include a critical mass of energetic people, a vision for faith and mission, trained leadership, sufficient finances, and buildings or other locations, that enable ministry. The role of the Presbytery is to provide tools and resources to evaluate and enhance sustainability in times of change and to plan with congregations regarding their future.

How will we know that we are fulfilling our Vision?

- When congregations, either singly or in partnerships, feel energized and purposeful.
- When congregations work together.
- When the Presbytery functions as a facilitator of successful relationships.
- When people enjoy working together and have stories to tell about it.
- When we know Christ, live Christ, and share Christ here.

Gathered in Neighborhoods

To begin this work the Vision and Strategy Committee of the former Presbytery Council encouraged the development of six Neighborhoods within the Presbytery. Pastoral leaders and congregations are gathered to initiate conversations about the realities of mission and ministry in their region of the Presbytery; what they may want to address or learn together; how they may support each other; and whether they will be active in mission together. For the current Neighborhood Grouping list see Appendix A. Relationships between congregations across Neighborhoods, existing or yet to be formed, are also encouraged.

Anticipated Outcomes:

- A growth in the number of mission partnerships, either regionally or project-based
- A stronger network of support for all pastoral leaders
- Churches deepening relationships with each other and supporting each other through prayer, shared mission and gatherings
- Churches and leaders learning new skills together that will strengthen their life and ministry

Part II:

Organization

Presbytery Design

The Presbytery Design seeks to provide a variety of ways to serve the Presbytery. Some groups will continue to be nominated by Committee on Representation, elected by the Presbytery, and serve three-year terms. Other groups will be brought together less formally, and will organize around passion, interest, skills and experience. These Teams and Working Groups may be short or long-term, focused on a particular shared concern or event, or an ongoing function of serving congregations. Participants may be self-identified, or invited through Presbytery communications and by personal invitation. These groups may design a meeting schedule and structure scaled to the work they are doing. They will form and re-form as needed.

Definitions:

Team: A Team is a group of people linked in a common purpose to equip, empower and support congregations and neighborhoods, or the work of the Presbytery.

Working Groups: Working Groups are small groups of persons who agree to work together to accomplish identified responsibilities, objectives and goals within a Team

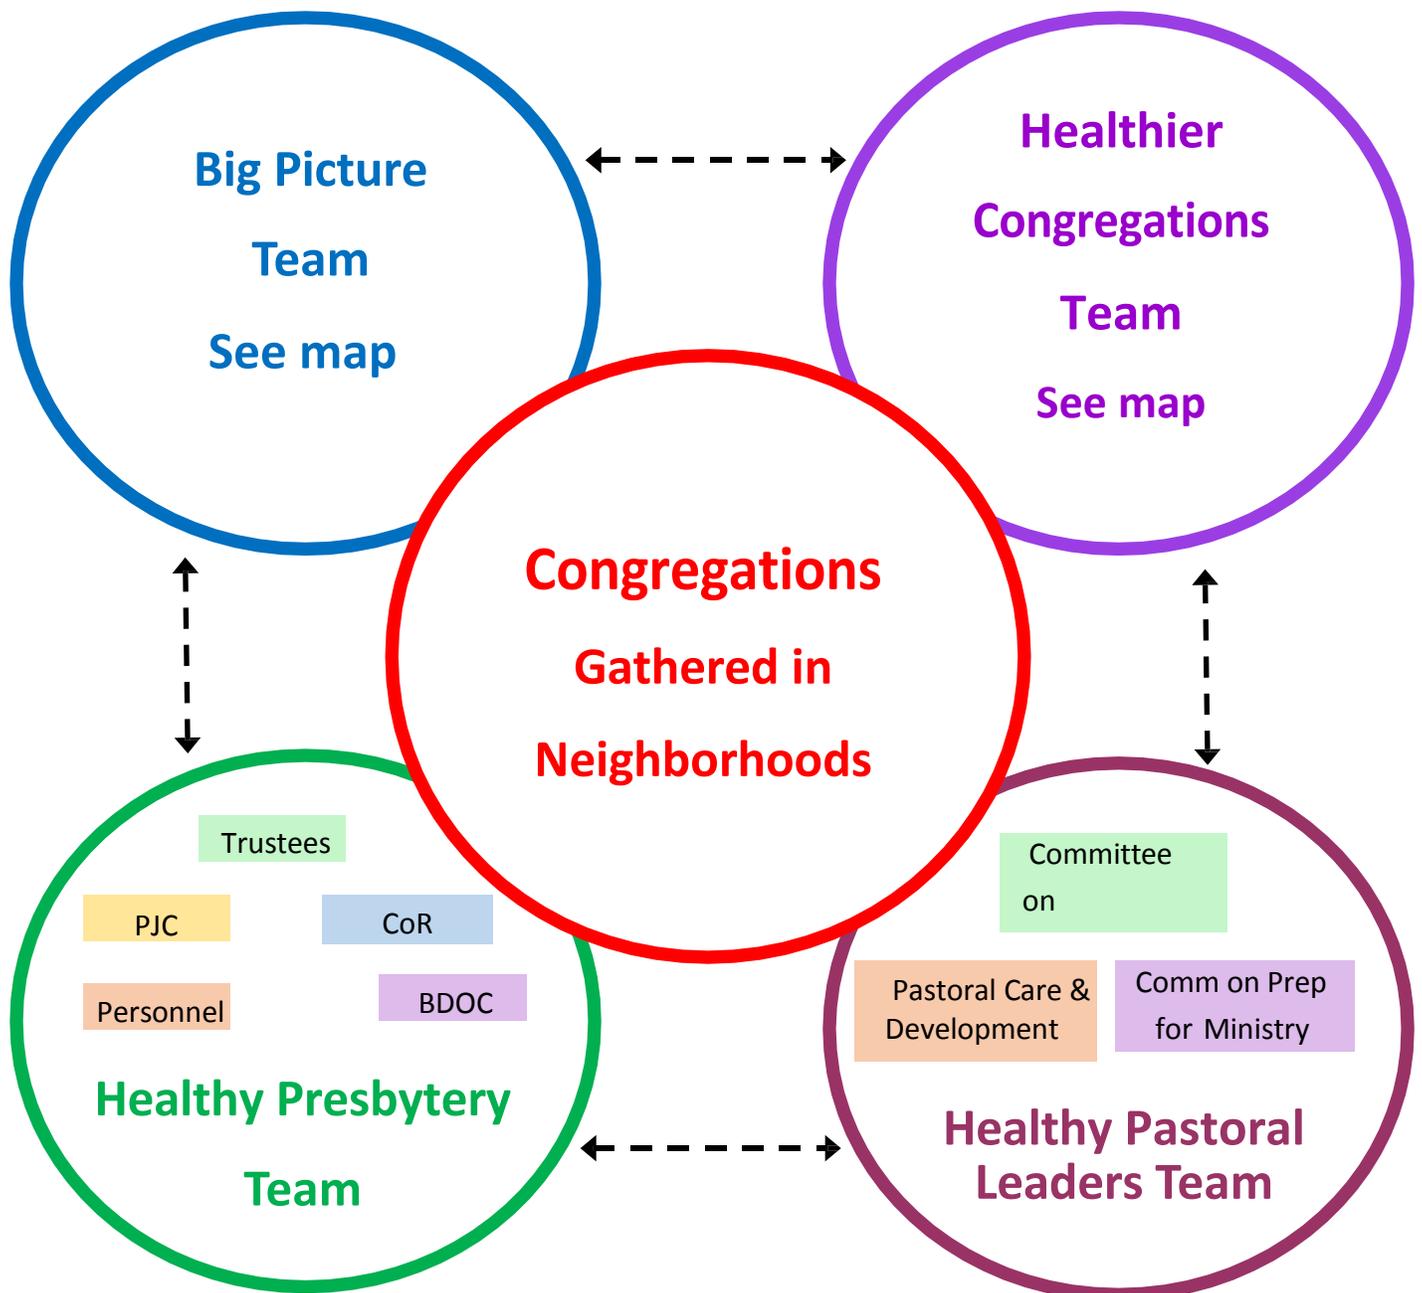

Standing Committees of the Presbytery: Committees serve the Presbytery by doing the work assigned to them by the Presbytery. Members of Standing Committees are nominated by the Committee on Representation, elected by the Presbytery, and ordinarily serve three-year terms on a rotational basis. **Members of the Committee on Representation are nominated by the Big Picture Team and elected by the Presbytery.** The Committee year begins each July 1. Persons may be re-nominated and elected for a second term of 3 years. No committee member should serve longer than six consecutive years. Chairs of the Committees will be elected annually by the Committee.

Principles of Representation: Presbytery, through the work of the Committee on Representation and its Teams, shall give expression to the rich diversity within in its membership, and provide means to increase inclusiveness leading to wholeness in its emerging life. Persons of all racial and ethnic groups, different ages and sexes, gender **identity, gender expression**, and orientation, varied abilities, geographical areas and theological understandings consistent within the Reformed tradition, as well as different marital conditions (single, married, widowed, divorced) shall be guaranteed full participation and access in the decision-making of the Presbytery. (*Book of Order F-1.04013, G-3.0103*).

Corporations and Other Relationships

Relationship to Presbyterian Homes and Residences

Historically a single corporation, the Rochester Presbyterian Home, the Presbyterian Residence Center (Valley Manor), and the Genesee Valley Presbyterian Nursing Center (Kirkhaven), separated from the Presbytery of Genesee Valley in 1997. The Presbytery of Genesee Valley continued to relate to the Rochester Presbyterian Home and Seniors First (Valley Manor and Kirkhaven) through the Mission & Advocacy Committee of the Presbytery. In 2014 Valley Manor was acquired by Episcopal Senior Services. Beginning in January 1, 2018, the Rochester Presbyterian Home and Seniors First (Kirkhaven) relate to the Presbytery through the Mission Linkages Working Group of the Big Picture Team, for purposes of promotion and interpretation of their services and volunteer organizations.

Part III:

General Policies and Procedures

Policy Development

A **policy** of the Presbytery of Genesee Valley is a course of action or a principal of action which is intended to apply broadly to the decisions and actions of the Presbytery, its committees, and other entities of the Presbytery.

Guidelines and **procedures** are not as broad as Presbytery-wide policies. Guidelines and procedures define the manner in which certain courses of action are followed or implemented, consistent with Presbytery-wide policies. Guidelines and procedures may inform and instruct the work of committees or other entities, as they serve to enact or bring to fruition the decisions made by the Presbytery.

Committees and other entities of the Presbytery may develop guidelines and procedures for the work of their particular group, consistent with Presbytery-wide policies. (For example, the Committee on Ministry has approved policies for Pastor Nominating Committees). These guidelines and/or procedures are communicated to the Presbytery through the Appendices of this Manual

Enactment of a Presbytery Policy

1. Policies of the Presbytery of Genesee Valley shall be enacted by the Presbytery, in a duly called meeting, by a 2/3 vote of presbyters who are present for the particular meeting.
2. Proposed policies shall come to the floor of Presbytery through the Big Picture Team of Presbytery.

Procedures for Proposal of Policies to the Presbytery

1. Those who wish to propose a policy (a congregation, a committee, a ministry team, an individual or a group) shall prepare the proposed policy in the following format:
 - a. Part 1 – The text of the proposed policy, including a recommendation for when the policy, if approved, shall be reviewed by the Presbytery. Every policy should be reviewed at least every five years.
 - b. Part 2 – A description of who is proposing the policy.
 - c. Part 3 – A clear, succinct rationale for the policy.
2. The author(s) of the proposed policy shall submit the above document to the Big Picture Team (BPT) for its

PGV POLICIES AND PROCEDURES MANUAL (without appendices)

deliberation. The BPT will provide for full consideration of the proposed policy, including the opportunity for advocates of the policy to be heard.

3. The BPT shall determine when the policy shall come to the Presbytery, and shall make a specific recommendation to the Presbytery (approve, disapprove, approve with amendment). The rationale for the BPT's recommendation shall be clearly stated.
4. The BPT shall place the proposed policy, with all supporting rationales, in the Mailed Docket for the Presbytery meeting during which the proposed policy will be considered. Under no circumstances will the proposed policy be placed in the Taken Docket for a particular meeting.
5. It will be the BPT's responsibility to keep a record of the review dates of Presbytery policies, and to conduct the review of the policy. The BPT will bring to the Presbytery the recommendation as to continuing, discontinuing, or amending the policy. This will ensure that policies remain applicable and up-to-date.

With the exception of this paragraph, any policy (including provisions of this Policies and Procedures Manual) of the Presbytery of the Genesee Valley may be temporarily suspended at any Stated Meeting of the Presbytery by a three-fourths vote of the members present, providing that thereby no provisions of the Constitution of the Presbyterian Church (U.S.A.) are violated.

Accessibility Policy

The Presbytery of Genesee Valley strives to make full inclusion a priority. To this end the Presbytery encourages its constituent congregations to:

1. Continually work to remove all barriers, physical and otherwise, to full inclusion in the life of the church of all persons with disabilities.
2. Provide children and adults with disabilities the opportunity for a Christian education.
3. Provide persons with disabilities the opportunity for church membership, even when requirements and activities for membership must be modified to meet their special needs and challenges.
4. Intentionally and continually build awareness and understanding of all types of disability and of the issues that people with disabilities confront.
5. Promote advocacy for justice for people of all ages with disabilities.

The Presbytery of Genesee Valley makes a commitment to:

Recommendation	Suggestion for Implementation
1. Continue to hold stated meetings and Presbytery-wide events in settings that are accessible for worship, business, fellowship, and dining (Provide information on building accessibility in the call to the meeting).	1a. Churches will make accessibility information available to the Communications Coordinator. 1b. The Communications Coordinator will create a compilation of church accessibility information. 1c. All meeting registrations will include questions regarding accessibility needs.
2. Provide sign language interpreters when requested in a timely manner.	2. Request for ASL interpreter will be submitted to the Presbytery Office two weeks before the scheduled meeting.
3. Provide printed materials in alternative formats (e.g., large print or braille) as requested.	3. Requests for alternative formats will be submitted two weeks before the event.

PGV POLICIES AND PROCEDURES MANUAL (without appendices)

4. Encourage speakers to read aloud projected materials that have not previously been made available.	4. The Moderator will lead this effort to make new information available to all who are present.
5. Urge that requests for Revolving Loan Funds or PiLP endorsements for funding new construction or remodeling of church property include provision for accessibility.	5. The requestor will submit provisions for accessibility to the Trustees.
6. Encourage speakers and leaders to use person-first language when referring to persons with disabilities. For example, use “a woman who is blind,” rather than “a blind woman.” Use inclusive language. For example, use a statement like “Please rise in body or in spirit” rather than “Please rise”.	6. The Big Picture Team will model the person first language.
7. Encourage the Committee on Representation to seek out persons with disabilities for leadership positions in Presbytery, Synod, and General Assembly.	7. The Presbytery Leader will provide this encouragement, accessing information from annual church statistical reports as needed.
8. Encourage inclusion of people with disabilities in worship leadership.	8. The Moderator and worship planners will seek out participants with the help of pastors.
9. Take feasible steps to ensure that Presbytery offices meet ADA requirements for accessibility.	

Approved November 2016; Revised May 2019

Electronic Meeting Policy

1. Electronic meetings may be held when a Team, Committee, or Working Group of the Presbytery must conduct business that is time-sensitive and in need of action before the next traditional meeting, or when the cost of a traditional meeting is not justified for the business at hand when electronic alternatives are available. A traditional meeting is a face-to-face meeting for members of any such group.
2. Electronic meetings are permissible if every member of any such group has access to adequate technology that allows participation in the meeting.
3. Electronic meetings must provide for simultaneous audio communication among all participants in order to allow for discussion of the issue being considered. Collaborative technologies, such as the web-based Go To Meeting or Skype conference calls, and interactive video teleconferences fit the necessary requirements for maintaining the deliberative character of meetings held in accordance with Robert's Rules of Order.
4. Only the moderator, chair, or convener of any such group, and the Presbytery Moderator may call an electronic meeting.
5. Notice of an electronic meeting shall be given by the moderator, chair, or convener at least 3 days before the meeting and shall include the purpose of the meeting. Instructions on how to participate shall accompany the call for the meeting. Reasonable care shall be taken to ensure participation in the selection of the date and time for the meeting.

PGV POLICIES AND PROCEDURES MANUAL (without appendices)

6. A quorum of an electronic meeting shall be the higher of one-third of the members, or 3 members, of any such group, and shall be declared at the beginning of the meeting.
 7. Just as in a traditional meeting, electronic meetings shall open and close with prayer.
 8. The same rules regarding participation apply in electronic meetings as in traditional ones: the body may, but is not obligated to grant the privilege of the floor to a guest, who may not vote or speak to an issue once debate closes. A guest in an electronic meeting is someone who is not a member of the group.
 9. Minutes of the proceedings shall be recorded and added to the Minutes record.
 10. Motions shall be processed in the same manner as in a traditional meeting. The chair shall also give careful consideration to technological issues that could impact a person's ability to participate fully and shall give opportunity for adjustments before business is taken up. Before a vote is taken, the chair will determine whether any members are no longer present due to a technological disruption.
 11. The chair shall give attention to insuring that all persons are included in the discussion and have the capability to hearing and participating fully in the meeting.
- Approved 11/2013

Rationale

There are times, on account of the timeliness of an action, distance or inclement weather, when the Presbytery Big Picture Team or a committee of the Presbytery may be unable to meet face-to-face. We now have the technology for real-time audio and/or video meetings to use in these circumstances. This policy clarifies that it is our policy for an electronic meeting to be just that - a meeting - rather than a serial exchange of email communications which may not provide for full participation or simultaneous discussion of a motion. Committee chairs may contact the Communications Coordinator at the Presbytery office to schedule such a meeting.

PRESBYTERY REPRESENTATION AND SHARING OF INFORMATION

Greetings and Endorsements on Behalf of the Presbytery

The Presbytery Leader, the Stated Clerk, and the Moderator of the Presbytery, are authorized to send greetings to various organizations on behalf of the Presbytery of Genesee Valley at their own discretion. Other persons may be authorized by the Big Picture Team to bring such greetings in specific circumstances.

Offering greetings **does not** imply endorsement of a particular organization's ideology or theological stance. To endorse means "to approve or ratify." Endorsement or ratification requires the approval of Presbytery, or the Big Picture Team acting on behalf of Presbytery.

Only persons authorized by Presbytery or Big Picture Team (when required by time constraints) may speak on behalf of Presbytery regarding particular issues, and then only on issues on which Presbytery has taken specific action.

It is advisable for those who address particular issues to present a written statement of the Presbytery's stance upon which the speaker would elaborate.

Executive staff persons, and elected leaders of Presbytery who speak publicly on issues without official authorization are urged to make it clear that their views do not necessarily reflect the view of the Presbytery and its member churches.

GUIDANCE FOR CHURCHES

Chemical Dependency/Other Disorders Affecting Church Employees and Their Families

1. This policy recognizes that alcoholism and other forms of harmful chemical dependency, mental or emotional illnesses, financial, marital or other family distress or legal problems are treatable and as such they should not be approached in a punitive fashion, but rather in a pastoral manner. We seek to enlist the support and cooperation of the entire governing body in pastoral approaches to these problems. It is, therefore, recommended to member churches of the Presbytery that this policy be adopted as part of their personnel policies.
2. The purpose of this policy is to assure that any church employee or their family members having such problems will receive the same careful consideration and offer of treatment that is presently extended to church employees or their family members having any other illness or behavioral disorder.
3. The goal of this policy is to assist the church employee or family member having trouble with alcohol and any other form of harmful chemical dependency, mental or emotional illnesses, financial, marital or other family distress or legal problems to remove these problems as a source of trouble.
4. No employee with alcohol or other form of chemical dependency, mental or emotional illness, financial, marital or other family distress or legal problems will have his/her job security jeopardized by a request for diagnosis and treatment, or for seeking and accepting treatment. However, an employee's continued refusal to seek help and treatment, or continued failure to respond to treatment, will receive the same response that similar refusals or treatment failures receive for other illnesses which affect job performance. However, it is most important that the person "recovering" from such problems has equal job opportunity following successful treatment.
5. When church personnel go for treatment of their problem, they should be granted leave with pay as necessary for treatment, whether residential or outpatient.
6. The role and importance of confidentiality apply to treatment of these disorders (stated in #1 and #3 preceding) and their treatment just as to any other health and/or behavioral condition.
7. It is most important that personnel committees, the Committee on Ministry and church Sessions be knowledgeable and sensitive to persons in need of help with these disorders (stated in #1 and #3 preceding).

We recognize that the staff and committees of governing bodies do not ordinarily have the necessary qualifications to diagnose alcohol and other drug dependencies, mental or emotional illnesses, financial, marital or other family distress or legal problems, just as they are not usually qualified to diagnose other diseases. Evaluation, referrals and diagnostic intervention will need to be made in cooperation with qualified consultants such as the Employee Assistance Program provided by the Board of Pension to its members,, or other qualified health professionals.

Since the affected person, especially chemically dependent persons, by the very nature of the illness/disorder often denies the problem, the consultant should be open to requests for help from spouses or family members, so that some kind of creative and therapeutic intervention can be initiated to help the afflicted person.

It is expected that through this policy employees who suspect that they may have such a problem, even in its early stages, will be encouraged to seek evaluation and, when indicated, follow through with prescribed treatment.

This policy applies not only to personnel employed by the Presbytery, but also applies to pastors employed by member churches of the Presbytery, staff members of member churches of the Presbytery, and clergy in non-parish service.

Presbytery Meeting and Event Cancellation Policy

A decision to cancel will normally be communicated to participants no later than three hours before the time when the meeting or event is scheduled to begin.

Special or Stated Presbytery Meetings: The Presbytery Moderator, in consultation with the Moderator-Elect and the Presbytery Leader, will make this decision. Normally, the meeting will be rescheduled for one week later than the originally scheduled date.

Other Presbytery-wide events: A decision to cancel other Presbytery-wide events will be made by the person or group with responsibility for the event. If a snow date has been established, the event will be held on that date.

Notification of Cancellation

Notification methods may include the following, as appropriate to the event being cancelled or postponed:

- E-mailing groups and/or individuals
- Posting the notice on the Presbytery web page (<http://www.pbygenva.org/>)
- Posting an announcement on the 13WHAM web site, as well as on their TV and radio stations (<http://www.13wham.com/>)

Presbytery Meetings

Dockets and Other Logistics

Setting Dates and Locations

Stated Presbytery meetings are normally held four times a year. Meetings are held either on Tuesdays or Saturdays.

Occasionally there will be special called meetings to deal with business which cannot wait until the next stated meeting. Special meetings are usually held on a Tuesday evening and do not include a meal or special events.

The Presbytery staff solicits host churches for Presbytery meetings. Churches who are asked to host Presbytery meetings need to have adequate facilities to host a gathering of this size. They must be able to meet the responsibilities outlined in the *Guidelines for Host Churches for Stated Presbytery Meetings* (see Appendix M).

The selection of host sites take into consideration the diversity of location and expected weather conditions for winter meetings. The Presbytery staff contacts churches to see if they would be willing to host a particular meeting. When the list is finalized, it is approved by the Big Picture Team and communicated with the Presbytery.

Setting deadlines

The Mailed Docket Request deadline is approximately three weeks before the meeting. The deadline for materials to go into the Mailed Docket is usually a couple of days later than the request deadline. The Mailed Docket is posted on the web and mailed about seven days before the meeting. The deadline for the Taken Docket is usually about a week before the meeting. Since this docket is not mailed, there is more flexibility. All materials to be included in the docket must be submitted electronically. All docket material should be submitted electronically to communications@pbygenval.org

Docket Requests

The Presbytery Leader receives all requests, in writing, for time on the Docket for the Meeting. The draft docket may be presented to the Big Picture Team, and finalized by the Moderator, Moderator-Elect, Stated Clerk, and Presbytery Leader.

The Mailed Docket

The Mailed Docket is referred to in this manner because it is posted on the web and mailed in advance of the meeting so that participants have an opportunity to read it. Materials requiring Presbytery action are usually the only materials included in this docket. A brief history of the host church and directions to the church are included in the Mailed Docket. A copyrighted map may not be used. The Mailed Docket is posted on the website and mailed to those who request it about seven days before the date of the meeting.

PGV POLICIES AND PROCEDURES MANUAL (without appendices)

The Taken Docket

The Taken Docket is so-named because it was traditionally taken to the meeting and distributed to persons as they registered. It is now made available to all commissioners as a pdf document within 48 hours of the scheduled meeting. This usually contains only information items, although occasionally there are items requiring action. The material must be sponsored by a Presbytery committee or agency. Some printed copies of the Taken Docket will be available at the Presbytery meeting. It is posted on the Website at the time of the meeting.

Pre-Presbytery Meetings

Opportunities for learning and discussion usually may be offered before the Presbytery Meeting begins. These gatherings focus on an item of business to be acted on at the Meeting, a Pastoral Care and Development topic, or another offering from a Team, Committee, Working Group. All requests for Pre-Presbytery time are made in writing to the Presbytery Leader, and approved by the Big Picture Team. If equipment is required for a pre-meeting presentation, a request must be made to the program secretary by the Mailed Docket Material Request deadline (usually 2 weeks prior to the meeting date).

Display Space and Handouts at Presbytery Meetings

Persons wishing to distribute materials at Stated Presbytery meetings must have the approval of the appropriate Presbytery Committee, Team or Working Group or Presbytery staff member. There are two ways in which materials may be displayed:

- As part of the general handout display: These materials are due in the Presbytery Office no later than one week prior to the day of the Presbytery meeting.
- As part of a larger display for a specific activity or issue: Persons setting up displays should arrive at the Presbytery meeting site at least 1 hour in advance of the start of the meeting. If there are pre-meetings being offered, persons should arrive 1 hour prior to set up so that displays will be set up before participants begin arriving.

To request display space, please make a request to the Presbytery Leader in writing. If a separate display space is being requested, the requests should be received no later than the Mailed Docket Material Receipt Deadline, and preferably sooner. It is very helpful to have the requests before staff goes on a site visit to the host church (about a month before the meeting); knowing what the space needs are in advance helps greatly in determining which space to assign to a group.

Meal

A meal is offered at most Stated Presbytery Meetings, and a vegetarian option is always offered. Ordinarily, the host church coordinates the meal. It is necessary to pay for a meal at the time that on-line registration for the meeting is completed.

Child care

Child care is offered to commissioners free of charge at all Stated Presbytery meetings. Presbyters need to request child care when they register for the meeting on-line, and complete required forms. See Appendix I, Presbytery Child Safety Policy.

Sign Language Interpreter and Alternate Forms of Written Materials

If needed, sign language interpretation is offered at Stated Presbytery meetings, and large print dockets can be provided. Requests may be made through on-line registration. Please let the Presbytery Leader know if there is a request for Braille materials.

The Slide Show

The Communications Coordinator is responsible for putting together the PowerPoint presentation which is used at all Presbytery Meetings. Presenters who wish to provide slides for insertion in the slide show should submit them electronically no later than the deadline for the Taken Docket. All submissions are subject to editing.

Participants in the Meeting

- **Minister members of Presbytery**—Teaching elders in good standing of the PC(U.S.A.) and Commissioned Pastors who are serving churches, honorably retired (HR), members-at-large (AL), or serving in validated ministries (VM) are members of the Presbytery with voice and vote.
- **Corresponding Members**— Teaching elders or ruling elders in good standing in other governing bodies of the PC(U.S.A.) or in any Christian church who are invited to participate in the meeting. Corresponding Members currently serving congregations in temporary, non-installed pastoral relationships may seek Temporary Membership ministry and have voice and vote. All other Corresponding members may be granted the privilege of voice.
- **Elder commissioners** —Each church is permitted to designate elder commissioners to participate in meetings of presbytery. The number of commissioners from each church is based on the membership size of the congregation.
- **Additional elder commissioners**—Additional elders may be appointed by the presbytery as commissioners in order to maintain a balance of minister members and elder commissioners as required in the *Book of Order*, and also to allow elders who are committee chairs and others with similar responsibility access to the floor. Additional elder commissioners will be appointed for one-year renewable terms as recommended by the Stated Clerk and approved by the Presbytery.
- **Visitors**—Attendees who do not fit one of the above categories. An elder who is not a commissioner is considered a visitor. Visitors do not have the privilege of the floor and shall not vote.

Attendance

All Pastors and elder commissioners, including HR, AL and VM, are required to attend Presbytery meetings. Ministers and elder commissioners may request an excuse from attending a Presbytery meeting. Presbyters who do not request excuses may be marked absent.

Minutes of Presbytery Meetings

Minutes of Presbytery Meetings are available on the website. Only those people who specifically request paper copies will receive them by US mail.

Worship Services at Presbytery Meetings

The Big Picture Team, with the coordination of the Moderator-Elect, is responsible for the order of worship, which may take many forms. The Moderator-Elect is responsible for the preparation of the bulletin, which is given to the Communications Coordinator for inclusion in the Taken Docket.

- All worship services conducted by the presbytery in session shall be a model for corporate worship, shall make full use of the whole range of biblical images when referring to God, and shall use inclusive language when referring to the people of God in the selection of hymns, prayers and liturgies.
- The worship service should ensure that issues of social justice and moral concern, including poverty, racial and ethnic equality and domestic violence, are lifted up in joint prayer.
- Full participation in worship leadership, drawing on the breadth of resources within the presbytery from non-host as well as host churches, is strongly encouraged.
- The use of a variety of musical resources for worship, such as inviting choirs from smaller churches unable to host presbytery and including a variety of hymn or musical styles within the same service, is encouraged. Participation in the Presbytery meeting and/or the worship service by the church organist is voluntary. The Presbytery will not pay for this service; the church may compensate the organist for this service if they wish.
- An offering is received at each Stated Meeting. Unless otherwise designated by the Big Picture Team, the offering received is income toward the operating budget of the presbytery.

PGV POLICIES AND PROCEDURES MANUAL (without appendices)

- *January*: The worship service in January shall include a reading of the necrology of ministers and elders for the preceding year.
- *Spring*: The spring meeting shall include a sermon by the outgoing moderator and the installation of the incoming moderator and moderator-elect.
- *Fall*: The Sacrament of the Lord's Supper shall be celebrated at the fall meeting.

Services to Presbytery Teams, Committees, and Working Groups

Staff Support

The Presbytery staff may assist Teams, Committees, and Working Groups, as requested, in sharing information with other groups of the Presbytery. Requests are made by email to a Presbytery staff member. The Presbytery staff will also maintain a record of activity if agendas and minutes are forwarded to the Communications Coordinator or Financial & Program Administrator.

Every group has an e-mail address (listserv) by which members can communicate with one another. This list is kept up to date by the support staff person assigned to each group. Anyone on the listserv may communicate with the entire group by sending an email to the listserv. Committees are encouraged to use this method for distributing agendas, minutes, and other documents.

Space Reservations

Meeting space in the Presbytery Office may be reserved by calling the Presbytery office or by contacting the Communications Coordinator (communications@pbygenval.org). Notice of meeting cancellations or changes helps the office staff let others know of changing plans. Many meetings are held in churches within the Presbytery. Scheduling of these meetings is the responsibility of the Chair or convener of the group

Presbytery Database

The Presbytery Office maintains a database of clergy, elders, committee members and others involved in the life of the Presbytery. Presbytery support staff are responsible for keeping the database up to date. Therefore, changes in information about churches and persons in the Presbytery should be communicated to the office staff as soon as possible. If changes affect committee lists, a new list should be e-mailed to the members.
