

To Sign In

To sign-in, simply go to <https://zoom.us> and click on "Login." From there you can Login using Google, Facebook, or your already existing Zoom account.

If you do not have an account with Zoom, you can select "Sign Up" to create a new Zoom account.

Once you have signed up or logged in, click on Host a Meeting, the desktop app will auto-download.

- For iOS, visit the Apple App Store and search "zoom"
- For Android, visit Google Play and search "zoom"
- Alternatively, you can click on the download footer link at <https://zoom.us> or directly from <https://zoom.us/support/download>

After you launch the app, you have two options. You can select "Join a Meeting" or "Sign In." If you just want to join a meeting-in-progress click on "Join a meeting." If you would like to log in and start or schedule your own meeting, click on "Sign In."

Getting to Class

Once you have signed up and downloaded the desktop app, getting to class should be very simple. You'll receive an email invitation to the Zoom meeting, which will include a URL. Click on the URL and Zoom will take you to the meeting.

Problems?

Please sign up for Zoom prior to the day of the class in case there are any technical issues. If anyone who is unfamiliar with Zoom would like to schedule a test run, please reply to this email and let me know.
