

## **Yoked Parish Seeking Full-time Pastor**

February 21. 2020

Dear Friend in Christ,

The First Presbyterian Church of Camden, Arkansas and the Tate's Bluff Presbyterian Church of Chidester, Arkansas are seeking a pastor for this newly formed yoked parish.

Let me tell you a bit about our parish. We are two churches with a combined membership of 104 members. The churches are located 24 miles apart. The parish is composed of a group of caring persons with a wonderful diversity. We share a deep commitment to the gospel of Jesus Christ through our racial and theological individualities. We believe that each congregation brings uniqueness into the larger body that enhances the richness offer ministry. Camden First is exceptional in its music ministry. Tate's Bluff is generous in their commitment to mission and community support.

We seek a pastor who understands and appreciates our community culture, the wisdom of the elderly, the nurture of the young and a fascination of the human experience.

Tate's Bluff is located in a peaceful rural setting on a bluff overlooking the Ouachita River while Camden is the manufacturing center of south Arkansas. It boasts a highly skilled workforce with a long history of aerospace and defense related manufacturing.

There is a depth to our people and our communities that has to be experienced to really understand. We are trusting that God will send us a pastor who can walk with us along this road to discovery. It is our hope that you will forward this letter to someone whom you know to be open to a new call.

Our Ministry information Form, 21839.AC1, is available on Church Leadership Connection.

Thank you for your time. We seek your prayers as we travel along this road.  
Sincerely,

Hamilton Singleton
