# CAMP FELLOWSHIP
CELEBRATING CAMPING MINISTRY SINCE 1948

HEY! FROM THE DIRECTORS

We are so happy to welcome your camper family to Camp Fellowship this year! Camp Fellowship is committed to creating impactful relationships in an environment that fosters growth through unique experiences. We love to see campers, staff, and guests learning new skills, paddling around on the lake, singing during campfires and worship, and of course, making the yummiest of s'mores.

If you've been to Camp Fellowship before, things may look different than a typical summer. We have increased our cleaning & sanitizing procedures, and introduced new safety protocols. However, that special camp feeling you get when you are here - the one that makes memories for a lifetime - will be as strong as ever. We're committed to keeping the Camp Fellowship experience as consistent and magical as possible.

All of these experiences, paired with an intentional small group model, allow for the perfect enviroment for exploring, growing in faith, and learning what it means to live in community.

We can't wait for you and your camper family to join us in the rich history of Camp Fellowship!
