Bethany Presbyterian Church

Join us at Bethany Presbyterian Church (5625 24th St.) Friday, June 9 at 5 p.m. for a light supper and information session about **Word Relief** and its fight to aid in the largest refugee crisis in history. Learn how Bethany can actively help families settle in Sacramento by reaching out in friendship & God's love. Bethany has committed to walk alongside a newly-arrived refugee family for a six-month period. Our goal is to offer refugee a warm welcome, support, and friendship as they settle into our community.

After the presentation, anyone interested in volunteering is invited to stay for training until 9:30 p.m.

This event is for everyone...whether you want to understand more about the world refugee situation, would like to volunteer, or simply show support for World Relief and the refugee family.
