

CLPC WEEKLY NEWSLETTER

Renewal Fund Surpasses Goal!

Thanks to the generosity of CLPC members, the Renewal Fund for renovation of the Sanctuary and Narthex has surpassed its goal of \$10,100.00. To clarify:

Total budget for sanctuary and narthex renovation **\$ 20,100.00**

Capital improvement funds on hand \$ 10,000.00

Total donations needed to complete project \$ 10,100.00

Donations received for Renewal Fund as of May 12, 2021 **\$ 16,622.00**

We are \$6,522.00 over anticipated donations! That excess will be left in the capital improvement budget for use in Phase II of CLPC renovations such as fellowship hall roof repair, stairs leading to kitchen and office and painting of nursery and classrooms.

Once again we thank you for your commitment to preserving Canyon Presbyterian Church as an ever-expanding beacon of love, hope and service in the Canyon Lake area.

Little Food Pantry

Deliveries to five clinic families continue with a combination of non-perishables and fresh fruits and vegetables. You donate the non-perishables (put in the container by the church door) and we purchase fruits and vegetables with your cash donations. THANK YOU!!! Keep donating!

Sunday Worship

We welcome you to return to worship with us as we celebrate the Ascension of Christ. Videos will continue to be produced for those who do not wish to return yet. Last Sunday's video can be found below.

Book Study Concludes

We look forward to gathering again in the fall.
