

Church Work

We've had a lot of activity up at the church this week! The flooring company has finished the narthex and are re-carpeting the sanctuary and offices. Next step is new molding and the chancel redesign.

We've also had volunteers moving things out of the way and others tearing out the rosemary that died during the winter storm. Thank you to everyone who has come to help out or who has donated so far to our renewal fund.

Meetings

Session will meet on Wednesday the 16th of June.

The next Deacon meeting will be July 7th.

Anniversaries

Congratulations and many more happy years to the Selle's, who celebrated their anniversary on May 28, and to the Kramer's, who celebrated their anniversary on June 3.
