New Members! Meet the Hulls

We are Kari and Bill Hull. Bill is native to Georgia and Kari to Virginia although we have been in Texas for decades! We married each other in Wimberley in 2015 and bought our house together in Spring Branch in 2017. We love our neighborhood here and the whole Canyon Lake vibe!

We have 4 adult children: Russ 35, Mary Kate 31, Malcolm 29, and Conleigh 28. We try to visit with them as often as possible! Bill enjoys his Miata and as many road trips as he can possibly do. He also loves baseball and following his beloved Atlanta Braves. Kari is a Miata and Braves enthusiast as well and also enjoys landscape gardening and art museums!

We look forward to meeting each of our new church family and being of service as our God leads us!

Meet Laurie Palmer, Guest Pastor

We will be having Laurie Palmer, Stated Clerk at Mission Presbytery, conduct the worship service on August 8th, while Chad is out of the office.

"I was born in Baton Rouge, and graduated from LSU. I'm a Louisville Presbyterian Theological Seminary grad and have served churches in Arkansas, Texas, and Florida. This is my second rodeo as Stated Clerk in Mission Presbytery, as I served in this capacity right after Leslie Ellison retired in 2000. I was also co-pastor of St. Andrew PC, San Antonio back then. I've served as temporary Stated Clerk in Tampa Bay Presbytery. I'm glad to be back in San Antonio, a city and presbytery that I dearly love.

I'm married to Ed. I met him when I was 5 and married him when I was 51! Between us, we have five children and six grandchildren, of course the light of our lives. We have a dog named Piper, and four cats (don't ask)."
